Dear Sandra

MOUNT GIBSON IRON LIMITED - REQUEST FOR TRADING HALT

Mount Gibson Iron Limited ("**Mount Gibson**") (ASX: **MGX**) requests that its securities be placed in a trading halt with immediate effect in accordance with ASX Listing Rule 17.1.

The trading halt is requested pending the release of an ASX announcement by Mount Gibson in connection with the impact of an overnight rockfall from a section of the eastern footwall (island-side) in the Main Pit at its Koolan Island operation. There were no injuries caused by the rockfall which had been monitored in advance with continuous radar coverage.

An exclusion zone is currently in place at the eastern end of Main Pit and mining is currently suspended pending further evaluation. The Koolan Island seawall was not affected and continues to perform according to design.

Mount Gibson requests that the trading halt remains in place until the earlier of Mount Gibson making the abovementioned ASX announcement or market open on Tuesday, 21 October 2025.

Mount Gibson confirms it is not aware of any reason why the trading halt should not be granted.

This request has been authorised for release to the ASX.

Yours sincerely

David Stokes
Company Secretary
